INFOCOM™

Introduction

Within these pages is recorded certain knowledge regarding the packaging, artwork and instructions of the Infocom adventures. Although this wisdom has well stood the test of time, we would not wish to see it lost forever in the uncertain mists of the future.

Therefore, for the enrichment of our heirs and with homage to our ancestors, we have writ into permanence the lore and legends of Infocom.

All typefaces seen here are adapted from the various classics used by Infocomic games.
